

Adam Vaughan

M.P. for Spadina-Fort York

Député de Spadina-Fort York

June 27, 2016

To The Grange Park Advisory Committee:

As the Member of Parliament for Spadina-Fort York, it is my sincere pleasure to welcome you to this celebration marking the incredible progress towards completing the Grange Park Revitalization Project.

As the Grange Park Revitalization moves closer to its final stages, it is becoming increasingly clear just how well the project exemplifies the immense potential of protecting and growing the city's public green spaces.

A revitalized Grange Park will serve as a hub of community life for families, students, and visitors that is sure to bring positive changes to the already vibrant surrounding neighbourhoods.

I would like to offer my warmest thanks to everyone who has worked to make this project a reality. As well, I would like to extend that gratitude to everyone in the community who continues to bring their energy and activity to this space each and every day.

Sincerely,

Adam Vaughan, M.P.
Spadina-Fort York
